

## SUN BEAMS

By WALTER M. BARRETT

"They work like veterans, not volunteers." We heard this remark Tuesday evening as we watched the boys of the fire department go about the difficult task of controlling one of the most threatening fires that have ever started here. And that remark was truthful. Without any confusion or loss of time or effort each man took his appointed task and worked hard, checking the stubborn blaze in a minimum space of time. And we reiterate, we are proud indeed of the small part we played in securing for Truckee its indispensable new apparatus. The equipment paid for itself many times Tuesday. But the best of equipment is worthless without a good department and Truckee has a right to be proud of having both. The fine work of the Southern Pacific fire train is also due for much favorable comment.

Truckee this week lost a fine family when Mr. and Mrs. George Moore left to make their home in Oakland. Moore, a veteran employee of the Southern Pacific has earned the rest which he will enjoy and the best wishes of their friends go with them. The Moores had lived here since 1893.

We regret we haven't a photo of the deer parts laying conspicuously along the highway west of Truckee in a sack, where some careless hunter disposed of the useless parts of his kill. Still a warden here is not possible.

### Search Continues For Truckee Man Lost In Airplane

Co-Pilot of Ill-Fated TWA  
Liner Formerly  
Lived Here

Futile search is being continued for the TWA passenger plane which is believed to have crashed near Fresno last month, carrying among other Clyde Wallace, 25, former local boy to his death.

Wallace was the son of Mark Wallace, former S. P. signal maintenance man here. The family left in 1915 for Tucson, where they now reside.

At the time of the plane's disappearance, the elder Wallace was in the Southern Pacific hospital in San Francisco.

### HIGHWAY, DAM JOBS OPENING AS WORK STARTS THIS WEEK

L. N. Loomis, Condon Construction Company official; "Red" Kuntz of Lord and Bishop, Harry Booths, president of the General Contractors and Chester Cunningham, general field superintendent for the Condon company, are expected here this week prior to the start of work next week on the Boca Dam, according to Red Adams, secretary of the local chapter of the C. I. O.

Adams said work is scheduled to start Monday at Boca, with a crew of approximately 40 men being employed at first.

Work started this week on the new Hirschdale highway and within a few days actual construction will be started. Local men are being given preference on both projects.

### Lewis' Store Will Tell Details of Fish Contest

Mrs. Hazel Lewis, of Lewis' Store said that details of the trout fishing contest will be announced in next week's issue of the Sierra Sun. A number of valuable prizes, including leather bound baskets, lines and other fishing accessories are being given.

**Moving—**  
Mr. and Mrs. E. Parker are going to occupy the George Moore home. They plan to move this month.

**From Woodland—**  
Mr. and Mrs. Frank Durst and daughter, Audrey, of Woodland and Mr. and Mrs. Fred Durst of San Francisco and their children and George Durst of Oakland motored from Woodland and visited here briefly before returning home. Frank Durst is an instructor in the Woodland grammar school.

**In Roseville—**  
Mr. and Mrs. P. R. Nelson and son Addison are spending several days with Mr. and Mrs. Clyde Murray in Roseville.

70th Year, Number 7

Truckee, Nevada County, California, Thursday, April 14, 1938.

Established 1869

### State Refunds Huge Sum From Liquor Licenses

Nevada County Receives  
Near \$4,000 For 6 Month  
Period

SACRAMENTO, April 14.—Cities and unincorporated areas in Nevada county will receive a total of \$3,614.30 as their share of fees derived from liquor licenses during the last half of 1937, it was announced this week by R. E. Collins, Chairman of the State Board of Equalization.

From the standpoint of the State as a whole, the allocation will amount to \$91,962.33. This represents 50% of the total fees earned during the last six-month period of 1937. The state's share of this income, after administration costs are deducted, goes into the general fund.

On the basis of actual licenses issued, the unincorporated area of Nevada County should receive a total of \$2,538.50.

The change in the law to provide for allocation twice a year instead of annually was made at the request of members of the Board of Equalization so that the funds would not remain idle for such a long period. Current allocation represents the second made on the semi-annual basis. Inasmuch as a greater portion of the liquor license fees are received during the renewal period of the first half of the year, the second half allocation is considerably lower than that for the first six months period. The cities' and counties' share for the first half of 1937 amounted to \$1,447,259.75.

In announcing the distribution of funds the Board Members again pointed out that this money is collected entirely by the State and represents income derived exclusively from liquor licenses. It was suggested that a proper expenditure of this money would be to finance local enforcement of the Alcoholic Beverage Control Act.

### Sharon Pace Is Feted At Birthday Party Here

Little Miss Sharon Pace, daughter of Mr. and Mrs. Anthony Pace observed her first birthday at her parents home on Sunday, April 10. A decorative scheme of pink and white was carried out in the dinner table appointments, the center attraction being the birthday cake in the chosen colors which was topped with one lighted candle.

The small feted guest received a great many lovely gifts during the eventful day. Those sharing the occasion included Mr. and Mrs. Claire Goode, Mr. and Mrs. Charles Carrau, Mr. and Mrs. Elden Tonini and children, Bobby and Mary Anne, and Mr. and Mrs. R. L. Van Loven and daughter, Carol.

### Incumbents Re-elected On Fire District Board At Election Held This Week

That the work of the Truckee fire commissioners has been beyond any justifiable criticism was evidenced on Monday when the two incumbents, Dr. J. H. Bernard and F. W. Gaenle and the new member, E. A. Pearce were elected without a dissenting vote.

Only 23 voters bothered to go to the polls on election day as the three candidates were unopposed. All 23, however, cast their ballots for the three commissioners.

Mrs. Cala Bick, W. H. Laity and Mrs. Georgia Follett comprised the election board.

### Billy McAdams Hurt At Capital School

Billy McAdams, son of Mr. and Mrs. John McAdams had the misfortune to dislocate his neck during high school gymnasium activities at Sacramento where he is attending school. The injury made it necessary for him to be taken to the hospital for treatment and on Tuesday he returned to Truckee with his parents.

### Truckee Lions Hear Additional Report On Incorporation

Comparisons Made To Show  
Income Possible Under  
Program

Basing calculations on the Colfax incomes and expenditures, the fact-finding committee of the Truckee Lions Club, headed by Rufus Gregory last night laid facts and figures before club members relative to the feasibility of incorporating Truckee.

It was definitely stressed that the club is not sponsoring or discouraging incorporation, but merely endeavoring to assimilate facts to determine the wisdom of the idea.

While the populations of the two towns are almost identical, it was pointed out that Truckee has a larger business section which would result in a larger income from state refunds, minimum license fees and other items.

Under its present tax setup of \$1.20, Colfax has an annual income of approximately \$8,900, \$6,530 coming from property tax, \$1,800 from refunds from the state and licenses, \$350 from fines and \$265 from subventions and grants. These figures are based, the committee said on an assessed valuation of approximately \$500,000, while Truckee's assessed valuation is around \$600,000, based on available figures.

The Colfax expenditures for last year, according to figures from the secretary of state, approximated \$7,800. Of this about \$1000 was used for general city government costs, \$2100 for protection of person and property, \$250 for sanitation and \$2,600 for street work and the balance for sundry costs.

One annual expense of \$900 for street lighting borne by Colfax would be eliminated here under the public utility district, which would be absorbed by the city, Gregory pointed out.

Liquor license rebates from the state would approximate \$3500 a year here, according to information from the League of California Municipalities, while half a cent of the state gas tax, based on population would mean an income of about \$1,400 and the "in lieu" tax on cars would account for another \$500 income, the information disclosed.

The gas tax fund would be divided, half to be used for the state highway through the city and the balance for principal streets.

More information will be assembled and prepared so that any and all questions pertaining to the project can be answered intelligently and all phases for and against explained.

### TAHOE MERC SOLD TO W. ATHERTON

Sale of the Tahoe Mercantile Co., one of the pioneer establishments on Lake Tahoe to Weller Atherton, owner of another store at Tahoe City, was made this week by Si Pierson, for many years manager of the Merc. The latter said he will continue to reside at the lake this summer.

### McChreits Visits Former Home In Virginia

W. A. McChreits left on Friday for Virginia after being absent from his former home for several years. He expects to be gone at least six weeks.

Prior to leaving, McChreits settled for injuries sustained when he was hit by a truck last year.

### Nelson Stone Weds Santa Rosa Girl At Ceremony

A marriage license was issued to Nelson S. Stone, 24, of Truckee and Miss Charlotte Marie Schubel, 19, of Santa Rosa at Reno on April 12.

It is believed the young couple will establish themselves here as Stone recently arrived here to be employed at the Truckee airport.

### George Carter Here—

George Carter, former county sheriff visited in Truckee Wednesday.

### Visits in Reno—

Mrs. W. H. Laity visited friends in Reno for several days during the past week.

### Sig Ulland Is Winner Over All Contestants

Mikkelsen Takes Third Place  
In 'A' Jumping At  
Tahoe Meet

TAHOE CITY, April 14.—(UP)—National Champion Sig Ulland of Tahoe City Sunday outleaped California Title Holder Roy Mikkelsen of Auburn to capture first place in the Class A jumping event of the Lake Tahoe Ski Club's annual invitational meet.

Skiers from the Reno and University of Nevada clubs dominated the meet, taking 13 out of 26 places in the Class A and B jumping and slalom race.

Ulland scored 198 feet on his first jump and 194 feet on his second to take an easy victory before the more than 1000 winter sports fans. His brother, Olaf Ulland of Seattle—holder of the unofficial world's record of 339 feet—was second with jumps of 176 and 191 feet. Mikkelsen—who defeated Sig Ulland for the California title at the recent championships at Mt. Lassen—was third, leaping 181 and 184 feet in his two tries.

Einar Fredbo, Seattle star, was fourth, followed by Si Brand, Mt. Lassen; Wayne Paulsen, Reno and Dick Brown, Mt. Lassen.

The Ulland brothers teamed up to provide the biggest thrill of the meet by going down the big jump hand in hand, and taking off into space. They landed only a few feet apart nearly 200 feet from the takeoff and then joined hands again in a perfect finish.

Snow conditions were good, despite a warm spring sun. There were no spills to mar a perfect flight of jumps in the Class A events, and only four in the other three classes.

In the gruelling slalom race, Martin Arrouge of Reno was first. Second place went to Carl Bechdolt, Jr., University of Nevada, with Earl Edmunds, also from the University pulling in third. The other places in the order the men crossed the line went to James Worden, Tahoe; Wayne Paulsen, Reno; Dick Brown, Mt. Lassen; Frazier West, Reno; James Scroggum, Reno; Jack Starratt, Tahoe and Robert Bowers of Truckee.

Carl Bechdolt, Lake Tahoe star, competing for the University of Nevada, took a clear first place in the B class jumping, scoring 143 points with jumps of 115 and 122 feet. Earl Edmunds took second with jumps of 116 and 115 feet, while his teammate, Jack Starratt, took third at 105 and 100 feet.

Other Class B places went to Ernest Lillenthal, Mt. Lassen; Don McMeekin, Reno; Einar Knudsen, Mt. Lassen; Martin Arrouge, Reno; Jim Meyers, Auburn and Jim Scroggum.

Arrouge, who with Bechdolt had been favored to win, fell after making 132 feet on his second jump. Had he managed to ride out the leap he would have been an easy winner. All the Class B jumpers essayed the master hill after their tourney leaps of the smaller trajectory, marking up distances of 150 and 175 feet.

James Worden of Tahoe won the Class B jumping, followed by James Wetzel, Mt. Shasta, and Oliver Hendrickson, Tahoe. Class D honors went to Bobby Wetzel of Mt. Shasta, defeating Billy Bechdolt and Richard Cornell, both of Tahoe.

The C and D jumpers made marks of between 100 and 110 feet.

### Back to Woodland—

Mrs. John Titus returned to her home in Woodland on Sunday after spending the past two weeks at the home of Mr. and Mrs. J. C. Titus.

### Visit at Titus Home—

Mr. and Mrs. A. Fippa and son of Grass Valley were visiting Mrs. Fippa's grand parents, Mr. and Mrs. J. C. Titus on Sunday.

### Visit Campbell Home—

Mr. and Mrs. William Campbell and daughter of Grass Valley spent Saturday and Sunday at the E. J. Campbell home here.

### Variety of Modes Of Travel Pass Through Truckee

All modes in land travel are common in Truckee, but last week in one day local residents were treated to the extremes.

A larger than average car with bright appointments and two glaring red lights and chauffeured by a state patrolman, stopped for gasoline.

The second conveyance was a flat two-wheeled cart, piled high with trappings and drawn by three amusing burros. The aged occupant seemed proud of his possessions.

In fact, if we had been privileged to try either, the latter intrigued us more than the first.

### Easter Services To Be Held In Local Churches Sunday

Special Programs Will Be  
Given In Observance Of  
Easter

Special programs and services are being arranged for Easter Sunday in the two local churches. The programs were announced as follows:

**COMMUNITY CHURCH**  
Rev. Ernest Everett, Pastor  
A pageant "In Newness of Life" will be given at 11 o'clock Sunday in the morning by the children of the Community Church Sunday School.

Mrs. Ernest Everett is directing the young people in learning their parts and Mrs. George Kamp is assisting in the appropriate musical arrangements.

Rev. Ernest Everett will not deliver a sermon due to the fact that the presentation will occupy the regular church hour.

### CATHOLIC CHURCH

Father William Daly, Priest  
Father William Daly of the Catholic Church announces that services for Holy Thursday were held at 8 A. M. and that on Good Friday special services will also be held from two until three o'clock in the afternoon. On Easter Sunday Father Daly will speak on "Resurrection." Mrs. Claire Ellert is in charge of the choir which will render special sacred music.

### FIREMEN MEET TO ENJOY DINNER HERE

With appetites whetted from their efforts fighting the fire which threatened the business section a few minutes earlier, members of the Truckee Volunteer Fire Department enjoyed an Italian dinner and meeting at Besio's Tuesday night.

Speakers included the recently elected fire commissioners, Dr. J. H. Bernard, Frank W. Gaenle and Ed. Pearce, the latter attending for the first time in the capacity of a commissioner. R. L. Gregory was initiated as an honorary member.

### Relative Of Brockway Residents Succumb

Mr. and Mrs. A. E. Sorensen and Mr. and Mrs. Carl Sorensen of Tahoe Vista returned to their homes after attending the funeral of Foster Martin of Hayward. Martin was well known around the lake and has often visited his relatives at Tahoe Vista. He was salesman for the California Conserving company.

His wife, who survives, is a sister of the Sorensen brothers. He is also survived by two sons. His death was sudden and unexpected.

### Teachers On Vacation—

Miss Evelyn Reynolds is visiting in Los Gatos, Miss Marie Lothrop in Sacramento and Miss Anna Munro in Berkeley during the Easter vacation. They are members of the high school faculty.

### The Chamber of Commerce—

Luncheon will be held at Besio's Restaurant on Monday, April 18.

### Fire Threatens Truckee Stores Tuesday Night

Prompt Action By Volunteers  
Espee, Results In  
Small Loss

Fire, believed to have been started by a defective flue in the rear of the old Donner Market, occupied as living quarters by Jack Doyle, Tuesday evening shortly after six o'clock threatened the main business section of Truckee before it was brought under control by the combined efforts of the volunteer fire department and the Southern Pacific fire train.

The loss was estimated by Fire Chief N. F. Dolley at approximately \$5,000.

From an incipient beginning in the rear of the vacant store building, the flames spread quickly through the partitions and walls and along the roofs of adjoining structures, causing considerable loss in the California Meat Market, Dick Joseph's Pastime Club and Cafe and ruining stock in other buildings. Smoke and water did much of the unavoidable damage.

The alarm brought prompt action by the fire department and the new apparatus paid for itself many times in the efficient work of checking the flames.

Within two hours after the alarm sounded, the conflagration was well in hand, despite the fact that it had ample fuel on both sides, the buildings being of dry wooden material.

None of the buildings across the snow-congested, debris-strewn alley the precaution to remove personal belongings and furniture.

A patrol was kept during Tuesday night to prevent a fresh outbreak of the fire.

### ROLL CALL PLANS FOR KNIGHTS OF PYTHIAS COMPLETE

Arrangements have been completed for the annual Roll Call program of Summit Lodge of the Knights of Pythias to be held at the Odd Fellows hall here on the evening of May 6. The principal speaker will be Frank T. Dusterberry of Centerville, grand chancellor of the lodge in the state. Musical selections and readings will add to the program.

The program is open to the public and everyone is cordially invited to attend. William M. Englehart is the committee chairman arranging the program.

### Dan Smith Is Feted At Surprise Birthday Party

Dan Smith was feted at a surprise birthday party arranged by a group of friends on Tuesday night. About 20 attended the pleasant affair held at the Smith home.

### Photo Shop Now Located In New Local Quarters

W. F. Winslow announces that he has completed renovation and remodeling of the new site for the Truckee Snap Shot, to be located in the Justice Court building across the street from the Riverside Hotel. The manager said he is prepared to offer 24 hour photo service and extra service is desired. He will specialize on commercial work.

### Reported Improved—

Herbert Canady of Hobart Mills who was confined to his home for several days by illness is reported improved.

### Leaving for Oakland—

Mr. and Mrs. George Moore are planning to leave today for Oakland where they will make their home.

### Returns Home—

Mr. and Mrs. Herb Bartman returned home Saturday from Sacramento. Mrs. Bartman had been visiting in San Francisco.

### Looks After Property—

Ellis Paris of Reno is a visitor in

### SAFETY FOLLOWS CLEANUP WEEK

Spring cleanup week, which is an annual observance in thousands of American communities and should be in all of them, is in the offing. The week was primarily as a beautifying movement—old shacks are torn down, vacant lots are cleaned of debris, streets and alleys are renovated, homes are painted and yards are policed. It's amazing how little is needed in many cases to change a squalid street or alley to one that is pleasant and charming to the eye.

Furthermore, something other than a better looking town results from a cleanup week that is loyally supported by all citizens. For a sound, thorough cleanup process in one of the best possible ways of getting rid of fire and health hazards. A town which rids itself of old, unused buildings, and which does away with litter and debris strewn alleys and lots becomes a far safer place in which to live and work.

A glance down our principal alleys and streets, to say nothing of the vacant and often occupied lots offers ample evidence of the need for a thorough cleanup here.

Cleanup week should not stop at exteriors. As the National Board of Fire Underwriters points out, everyone should go through his home inside as well as out in search of fire hazards. A congested attic or basement, filled with ancient magazines and broken furniture and old clothes that will never be used again is the perfect starting place for a fire. Frayed or amateurish repaired light cords, improperly stored inflammable liquids, dirty and worn heating units—from such things as these come fires that destroy hundreds of millions of dollars worth of property and thousands of lives.

Every town should make this year's cleanup week the most thorough in its history. It's an easy job, if everyone does his bit to help. And it will pay big dividends, a beauty, safety and cash.

### FACTS ABOUT TAXES

An average "take" of \$104 from every man, woman and child in America!

A total charge of \$13,500,000,000—equal to one-fifth of the entire national income, twenty cents out of every dollar earned!

An amount equal to more than the total yearly cost of feeding the 130,000,000 mouths in America! That's our tax bill—local, state and federal!

In ten years the cost of government has doubled. In the past two years it has gone up one third. One business concern paid a 600 per cent increase in the past two years—enough to put 6,500 additional men to work for an entire year. Another business paid out \$1.15 in taxes for every \$5 paid out in wages.

These are facts! The price tags on local, state and national government are being made up each year. Where will the end be?

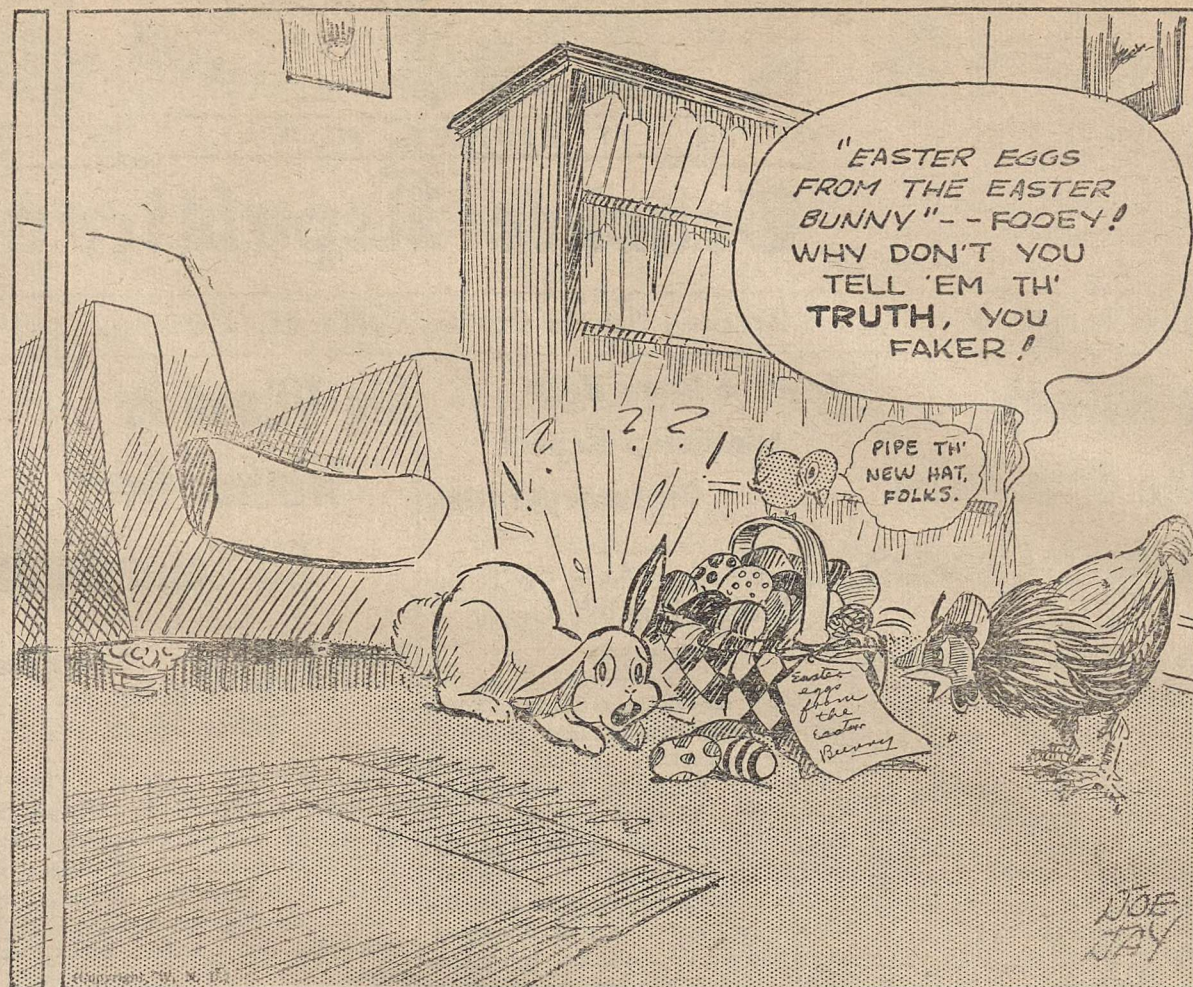

—California Progress Review.

## Exposing the Easter Bunny

## Politically Speaking

By Jack Welter  
United Press Staff Correspondent

SACRAMENTO, April 14. (UP)—Former President Herber Hoover's remarks upon his return from a two and a half month tour of Europe caused considerable discomfort in some circles of state government, but must have been immeasurably reassuring in other quarters.

One of Mr. Hoover's most emphatic remarks as he headed for San Francisco aboard the streamliner City of San Francisco on the last leg of his journey to his San Juan hill home on the Stanford campus was that he does not plan to participate in the forthcoming campaign.

If Gov. Frank F. Merriam chanced upon this quotation in the newspapers, he must have found it reassuring.

Mr. Hoover and the governor are members of the same political party,

but it scarcely may be said that there are other bonds than this between them.

In fact, since Merriam entered the pre-convention picture in 1936, when Hoover Republicans were seeking unpledged delegations throughout the country for the Cleveland national convention—and particularly were desirous of sending California's representatives unpledged there has been little love lost between the governor and the former President.

Thus, with Mr. Hoover declaring himself definitely out of the state campaign picture, Merriam may feel relieved that he will not have opposition from this source in his re-election contest.

Mr. Hoover said, however, he will be intensely interested in the fight for congressional seats. He was optimistic that the G. O. P. will show noteworthy gains in this quarter.

Met at the ferry slip by friends, the former president hastily brushed aside remarks concerning his own

plans for the future—these carrying a positive inference that he is considering a comeback campaign and a bid for re-election.

Of his personal plans he had little to say except that he expects to rest awhile at home, then go afield on another of his widely publicized fishing expeditions.

It was while discussing this—his favorite pastime—that Mr. Hoover made the observation which needed a quick reply from Herbert C. Davis, executive officer of the California Fish and Game Commission.

Speaking of his fishing activities in the past and his plans for the future, Mr. Hoover remarked, in effect, that California fishing is not so hot—a fact which will not be disputed by anyone who has clambered over rocks, crawled through brush and otherwise experienced the hardships familiar to all who go forth in quest of trout.

Any ambitious fisherman who has

endured the Spartan hardships of reaching a spot where fish are supposed to abound only to come home with a half-dozen fish the size of sardines or, worse yet, nothing at all, is not apt to have great difficulty in seeing Mr. Hoover's point.

In fact, Davis did not attempt to dispute the former president's the calibre of this state's fishing.

He took exception, however, to Mr. Hoover's high praise of the Oregon Fish and Game Commission and of his comparison of Oregon and California fishing conditions.

"Something should be done about conditions in California," Mr. Hoover said. "We don't seem to be on the right course. The Oregon commission knows how. Their fishing is getting better, while ours is getting worse every year."

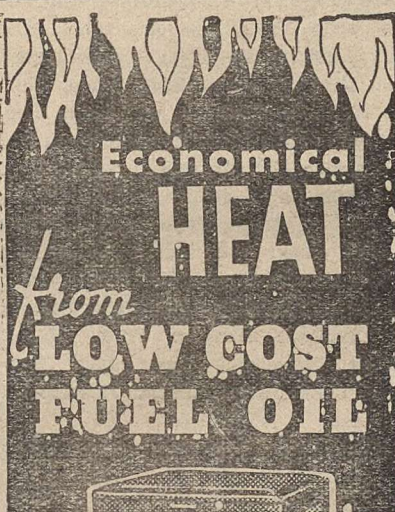

Davis conceded part of this—that conditions are getting worse—but he (Continued on page 5)

## Do you want to SAVE MONEY?

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.

### TWO HONORED BY SHOWER GIVEN KING BEACH PAIR

KING'S BEACH, April 14.—A surprise shower was given in honor of Mesdames M. C. Copeland and James Mandeville at the King's Beach home of Mrs. Bud Mandeville on Wednesday last at 2 p. m. Mrs. W. L. English was assistant hostess. A delightful luncheon preceded opening of the mank lovely gifts.

Ladies enjoying the afternoon included Mesdames Dick Fisher, Russell George, Wayne Burt, John Rayburn, Fred Reisel, Ben Lambert, Harry Bohme and Ruth Shank. One of the honorees, Mrs. Mandeville, was not present as she left Wednesday for Berkeley where she will await the arrival of the anticipated third member of her family at the Berkeley home of her aunt, Stel F. McClure. Her gifts were sent by mail.

### NORTH TAHOE CLUB HOLDS MEET TO PLAN FOR EVENTS

KING'S BEACH, April 14.—The Monday night meeting of the North Tahoe Sports Club at the Buckhorn Inn, presided over by President Bud Mandeville was attended by approximately 50 persons. Andy Jackson is secretary of the club.

Results of the ski tournament events sponsored by the club and held at the Sugar Bowl the previous Saturday were read. Nearly 60 persons attended and enjoyed the day. First and second place winners in their respective order follow: Ladies' slalom, Vesta Burt, Jerry Lambert, Carol Bohme. Men's slalom, Lloyd Shank, William McCarthy, a Reno guest, John McKenzie, a Reno guest. Ladies' cross country: Tiny Nelson, Carol Bohme, Edith Tarwater. Men's down hill: John Fleming, Shalton Leonard, Lloyd Shank. Ladies' down-

### NICK FLICK, PIONEER OF TAHOE REGION, EXPIRES AT AUBURN

TAHOE CITY, April 14.—Tahoe lost one her oldest pioneers on Saturday morning when Nick Flick, 92 year old resident who has lived at Carnelian Bay with his brother, Joe, for more than 40 years, passed away from complications resulting from old age. Taken to the hospital at Auburn a number of weeks ago, he failed to improve. His brother, Joe, 88, followed him to the hospital on March 26 after a brutal beating by an unknown assailant who robbed him of \$80, and still remains under medical care, recuperating slowly from his injuries.

Guy Lukens, appointed guardian for the aged pair by the court more than a year ago, came to Tahoe on Sunday to make arrangements for burial of Nick on the sunny slopes of the little cemetery in the region he loved and knew so well, but with from six to eight feet of snow on the ground it was deemed advisable not to dig the grave at this time.

Aside from this the grave of the third brother, Bill, who died several years ago and was buried in the local cemetery, could not be found under present conditions. So cremation will be resorted to now, transfer of his ashes to a grave adjoining his brother's to take place later in the coming summer.

The Flick brothers who came to the lake from Nevada more than 42 years ago, formerly owned extensive properties on the north end of Tahoe where they were famous in the early days as expert fishermen and hunters. Some four years ago they sold the last of their large holdings to L. C. Shank, Sr., who erected a number of modern cottages and the Carnelian Bay grocery and post office on the land. None of the brothers was ever married and all were born on Christmas Day.

hill: Vesta Burt, Edith Tarwater, Tiny Nelson.

On Friday night, April 15, at 8 p. m. a full moon will furnish the illumination for a gala moonlight skiing party to be held on the Brockway golf links at the third tee. A huge bonfire will furnish heat for those attending and "perk" hot coffee will be served. The group will meet near the home of Ralph Snow on the hillside. The public is invited to attend and enjoy the fun.

During the evening Fred Baker was appointed to the office of the sergeant at arms.

Announcement was made that Dr. Mae Walker of Piedmont, owner of a summer home at Crystal Bay, would donate a first aid kit to the club.

Bill Englehart, Jr., Truckee artist, who attended as a guest with his wife, offered suggestions for the insignia being proposed for the newly organized club. He will have several selections made up for examination and approval at the next meeting slated for Monday night, April 18.

At that time election of permanent officers for the ensuing year will also take place. Following the meeting of the directors, hot coffee and sandwiches were served.

ADVERTISE IN THE SIERRA SUN

### Tahoe Ramblings

(By SWANEE)

Mr. and Mrs. James Wilson who wintered in Oroville have returned to Tahoe for the summer season.

Olaf Ulland has been enjoying a visit with his famous brother, Sig, at Tahoe following a hurried trip down from Washington to participate in Tahoe's ski meet on Sunday. He left Tuesday, being accompanied as far as Reno by his brother, Sig.

Miss Phyllis Miller of Auburn arrived at Tahoe on Tuesday morning to enjoy several days vacation at the home of her mother, Mrs. Eleanor Swanson in the Sunnyside district.

Mrs. Ben Callender of the Hut is recuperating satisfactorily following an emergency operation for appendicitis last week in a Reno hospital.

Mr. and Mrs. Otto Darlin returned last week from a week's absence on business.

Sam Goss who has been confined to a Bakersfield hospital for treatment for a month was a visitor at his Lake Forest home last week end. He must return to the hospital for another month before being released from the doctor's care.

Mrs. Valentine Woodhouse of San Francisco and her two children, Doris and David arrived on Saturday morning at Tahoe to enjoy a week's vacation in the snow. They are occupying a cabin on the V. S. McClatchey estate at Sunnyside.

Mrs. Annie Soll of Pine Lodge is recuperating rapidly following an operation performed last week in a Reno hospital. No visitors were being allowed on Monday, but the family hoped the patient would be removed to her Tahoe home by the end of the week.

Bob Harkness on Sunday last began the task of removing the huge pine tree which has stood for many years within the Lake Forest grocery store of Mrs. Ted Moore. The house was built around it when erected, the novelty being an object of much interest comment by tourists. Mr. and Mrs. Moore decided on its removal this spring, however, as plans for reroofing, remodeling and repair-

ting the grocery are now actively under way preparatory to reopening around May 1.

In the cabin next door to the grocery and just behind the Standard Oil station, Mr. Moore will open on April 15 a fully equipped, modern plumbing, heating and sheet metal shop. He has had 30 years experience in his line and will offer first class work and materials at reasonable prices.

Dr. Mae Walker entertained Miss Elsie Adamson and a second guest from Piedmont over the past week end at one of the Nelson cottages at King's Beach.

Guests of the Earl Nelson's include Mrs. Ford Tussing and children Rosemary and Janice and Mrs. Kenneth Lowry and children, Kenneth and Jane all of Piedmont. They are

Miss Dorothy McMurray of Carson planning to spend a week.

enjoyed a nexta long vacation this winter when she was snowed in at King's Beach for several months while visiting at the home of the Earl Nelsons.

Walter Hemple, Brockway real estate man has arrived at his home on the north end of the lake for the season. His son Jack is spending the Easter week end with him.

Charles Burkhardt and son Robert on Saturday arrived from Santa Barbara at the Wagner Auto Camp in Lake Forest where Mrs. Burkhardt, daughter of Mrs. Wagner, has been recuperating for several months from a recent illness. They planned to leave on Wednesday for their southern home.

Advertise it in the Sierra Sun.

## Good Lighting starts with Proper Lamp Design

Here is the

1

Higher standard than the ordinary lamp. 19 1/2 inches from table top to bottom of shade.

2

What a difference under the shade! The diffusing bowl which eliminates both reflected and direct glare to give light that is soft and glareless.

3

The shade open at the top and wide at the bottom is the third reason why this revolutionary lamp gives six to ten times as much light as an ordinary lamp.

of a  
Better Lamp  
for Better Light

SEE that the lamps you buy for your home are designed to give you abundant light from proper height and distance so that it is easy for your eyes to see quickly and read without effort.

Note the distinctive features of the Science of Seeing Study Lamp pictured above. They are the tall standard, the diffusing bowl and the special shade wide at the bottom to give much more useful light than ordinary lamps.

There should be at least one of these new lamps in every home. It helps good eyes to keep good eyesight and aids weakened eyes to see more easily.

IT SEEMS IT'S A CAR FOLKS  
WON'T DO WITHOUT!

WE were pretty sure we had a great car when some months ago we checked the final blueprints on the 1938 Buick.

It had the new and mighty DYNAFLASH engine for sparkling action—the sensationally desirable TORQUE-FREE SPRINGING for a lullaby of a ride.

Looking ahead in that promising day, we figured we had every chance of getting our sales share by reason of what this car gave the buyer for his money.

Now, when times are sterner, it appears we built better than we knew—we've got a car folks just won't do without!

This great new Buick was first introduced to the public last fall. Through September, October, November, it sold in steadily increasing volume.

In a period when sales of other cars were sliding off it went ahead, in one month

actually outselling one of the Big Three of the lowest-priced field.

It's still going ahead—not car Number Seven or Eight, as one might expect by its price-class, but one of the season's Four Best Sellers!

There is only one explanation of such a record when made by a car in the thousand-dollar bracket.

Such a car is so good—has so much of value in it—people just won't do without it!

They buy it not only in preference to other cars—they buy in preference to waiting for easier times and readier money-to-spend!

That's the convincing sort of car you're about to drive when you first take the wheel of a 1938 Buick

If you haven't yet handled a new Buick, you ought to—just to see what such a car is like!

"Better buy Buick!"

# Behind the Scenes Of A Capitol News Story

The United Press staff which serves the Sierra Sun and Truckee Republican, is pictured above. The gentleman at the typewriter in the center

is J. L. (Irish) McLaughlin, the Editorial Circuit Rider and veteran of the service. Jack Welter, author of Politically Speaking and manager of

the Sacramento office is at the rear typewriter and Jack Abbott of This Week at the State Capitol is the man at the right.

## NORDEN NEWS

With the advent of Easter tide with but but moments away, with the snow depth still running into two figures, the approach of the Easter bunny in this vicinity may prove to be the snow shoe type as in former seasons of deep snow.

The Chet Rowe family and the W. G. Flickinger family of Sacramento are in Norden during the Easter vacation recess of school activities.

Mrs. Portia Moss, county superintendent of schools is expected in Norden this week to confer upon the possibility of reopening the emergency school, the date having been tentatively set for early this week, but due to the depth of snow the reopening was delayed.

Jesse P. Tilson as did Joseph Peters accompanied by Carl Ohman, exemplified the spring spirits in Sacramento last Sunday.

Van's Ski Lodge near Donner Summit was filled over the last week end many arrivals being from the bay district. Ideal weather conditions sent the snow enthusiasts home with smiles.

Lobby Randall and Kenneth Lyons spent a day last week in Sacramento becoming attired in new spring ensembles.

Mrs. C. W. Kramer, accompanied by her son and daughter, Billy and Virginia, are spending a few days in the snow in and about Tunnel Six.

Brady's Inn near Norden advises most of the available reservations are taken over Easter with a capacity house expected before that time. Bobby Randall and Johnny Backarich are well versed in the art of ski instructions with their ski course well filled.

John C. Lyons accompanied by his son Kenneth have motored to San Francisco on a business jaunt.

Miss Lola Frye of Van's Lodge spent a day in Reno on business recently.

Mrs. Charles Vanderford of Donner Summit was a business visitor in the bay district recently.

S. A. Snyder with his family and friends have reopened "Giffelhaus", their lodge cabin home in this vicinity to indulge in the snow sports.

## CHRISTENING MOTIF FOR CELEBRATION BY TAHOE COUPLE

TAHOE CITY, April 14.—Twenty-two years ago Mr. and Mrs. George Bacchi assumed the responsibility as godparents at the christening of Mrs. Geno Dagnastini of Roseville in the little Catholic Church at Westwood.

On Sunday last Mrs. Bacchi and son Frank stood as godparents to Mrs. Dagnastini's little 16 months old son, Ralph William Frank, in the Catholic Church at Truckee where Father Daley officiated at the ceremony. Relatives and friends attended, the christening taking place at 11 o'clock. A special turkey and raviola dinner was held in celebration of the occasion by Mr. and Mrs. George Bacchi at their Lake Forest home.

Invited guests were Mr. and Mrs. J. F. J. MacKenzie of the Dollar estate, Ralph Bly, Jack O'Harran, Bart Barttoletti, Mrs. Diamante Van ni, Mr. and Mrs. Geno Dagnastini and son Ralph of Roseville, Mr. and Mrs. Leif Nielsen and daughter, Miss Marie, Mr. and Mrs. Charles Swanson and son, Jimmie, Miss Marie Miller of Reno and Frank Bacchi.

### BUYS CHEVROLET

## GOVERNOR KIRMAN'S DAUGHTER MARRIED AT CARSON RITES

TAHOE CITY, April 14.—This morning's mail brought us the pleasant surprise of an announcement from Governor and Mrs. Richard Kirman of the marriage on Sunday last at Carson City of their daughter Miss Claire Kirman, to Wallace Erroll Taber, son of Associate State Supreme Justice and Mrs. E. J. L. Taber.

The marriage, one of the most brilliant social events of the season, was solemnized at Carson City by Rev. J. L. Harvey of the Presbyterian Church.

The groom now associated with a Reno banking concern, will become manager of the First National Bank at Calneva during the coming season. He and his bride will make

## TAHOE PERSONALS

At the Jess Sisk home on Sunday guests included Mr. and Mrs. Ben Stanley of Truckee, Mr. and Mrs. Dick Raffle, Kenneth Sears and Mr. and Mrs. Dickson all of Oakland.

Otto Fox, musical instructor at the Lake Tahoe school, from Auburn spent Monday in Tahoe where pupils were given first lessons for the spring season. Orchestra practice will be held regularly from now on with new books arriving next week.

Mr. and Mrs. Bert Watson and son, Robert, were visitors in Oakland on Saturday where their presence was necessary in an action pending settlement of the Watson estate.

Few persons last week realized that Mr. and Mrs. Harry Comstock enjoyed a week's vacation at Brockway Hotel. They left Saturday for their home in Pasadena.

The county snow-go for the first time in history, on Monday began reopening of the highway to and around the Tahoe Tavern. The county plow last week opened a one-way road up to the schoolhouse, facilitating travel for the youngsters. Snow was also removed from the site of the new community center building in town where work had not been started at this writing. Tatol donations to date for the building fund amount to \$1350. Governor Richard Kirman of Nevada being one of the latest donors.

Considerable damage was discovered last week as a result of high winds and rough waters along the Tahoe shoreline. At Tahoe Park the state's wharf was destroyed with an estimated loss of \$1000. At Dr. Philip King Brown's home nearby an additional \$500 damage was done to the pier.

High winds were again blowing on Tuesday morning and light snow fell, an additional two feet of snow having been added to the pack since April 1. Snow on the level in this region averages from 6 to 9 feet, at Brockway the depth averages only around two feet, with Tahoe City's

their home at Tahoe. The best wishes of their many Tahoe friends are cordially extended.

## Legal Notice

### NOTICE OF PUBLIC SALE OF AUTOMOBILE TO SATISFY LIEN

NOTICE IS HEREBY GIVEN that on the Fourth Day of May, 1937, at the hour of 10 o'clock A. M. of said day at the premises known as the Truckee Garage situated at the Truckee Garage in the Town of Truckee, County of Nevada, State of California the undersigned will sell at public auction to the highest bidder for cash in lawful money of the United States the hereinafter described automobiles to satisfy a lien of the undersigned for storage and repair charges. Dated April 10, 1938.  
TRUCKEE GARAGE  
First publication of this notice on April 14, 1938. A14-21-28.

### GOVERNOR MERRIAM ISSUES PROCLAMATION FOR PEACE CELEBRATION WITH NATIONS

SACRAMENTO, April 14, (UP)—With the nations of Europe and Asia engaged in warfare or verging on the brink of conflict, the 21 American Republics of the western hemisphere will observe April 14 as Pan American Day.

Governor Frank Merriam proclaimed a continuous spirit of good will the day and outlined California's part in the observance as follows:

"In an effort to foster and promulgate mutual understanding among the 21 American Republics of the western hemisphere, Thursday, the fourteenth day of April, has been designated as Pan American Day, and will be observed throughout the United States and in all the Latin American countries.

"Accordingly, it is fitting that the people of our state join in this annual national celebration, as a tribute to the many years of peaceful relationships which our nation has enjoyed with our sister republics of the western hemisphere.

"In view of these neighborly considerations, now, therefore, I Frank F. Merriam, Governor of California, do hereby declare Thursday, the 14th day of April, 1938, as 'Pan American Day' in California, and invite all of our citizens to participate in this friendly gesture."

### CORRECTION

The grammar school committee of the Brockway district was misnamed in last week's issue. Those on the committee were Mrs. Burr O'Brien, Earl Nelson, A. C. Astle and Mrs. V. O. Peterson.

### CARD OF THANKS

I hereby wish to express my sincere appreciation to the many kind friends who have sent sympathetic messages, cards and flowers during my present illness.

Gratefully,  
Mrs. Henry Soll.

### ALF ENGEN WINS HONORS IN IDAHO SKI TOURNAMENT

McCALL, Idaho, April 14.—(UP)—Alf Engen swept the Payette Lake Winter Sports carnival Sunday, winning the jumps, slalom, giant slalom and novelty slalom events.

Engen leaped 119 and 125 feet for an average of 122 feet in the jumps. He won the slalom in a two lap average of 53.45 seconds and nosed out Warren Brown of McCall in the giant slalom.

### GERMANS SWEEP SKI TOURNAMENT HONORS

ASPEN, Colo., April 10.—(UP)—German entrants swept the Aspen ski club downhill and slalom competition here Sunday with All-American Champion Uli Beutter of Munich setting a new course record on the difficult 6600-foot Roeh run.

Beutter, who recently won laurels at Sun Valley, Idaho, broke the old course record by more than 30 seconds, completing his downhill race in two minutes and 53 seconds.

### POLITICALLY SPEAKING

Continued From Page 2

would go no further.

In the first place, he said, Oregon doesn't have as many people, by many thousands, overrunning every available fishing spot.

As a step in the direction of improving conditions further, he said, the commission has a program under way to restore the flow of water, which in many places has been curtailed because of water and power development programs.

His parting shot was that evidently Oregon "doesn't know how" to check the decrease in fish caught per angler, now that scores of discouraged California anglers have invaded the streams of southern Oregon.

### National Hero

Barry Liu, modest, 22-year-old aviator who became a hero overnight in China when he shot down a Japanese bombing plane, is shown above in San Francisco, where he plans to continue his training as a pilot. His Government gave him \$10,000 as reward for his valor in action.

### This Week At The State Capitol

By JOHN ABBOTT  
United Press Staff Correspondent

SACRAMENTO, April 14. (UP)—Governor Frank F. Merriam requested the aid of state engineers in an effort to speed allocation of the \$5,000,000 loan and disaster fund appropriated by the special legislative session.

With committees in several southern California cities for emergency health projects, he brought to more than \$500,000 the funds allocated thus far.

In addition, Merriam tentatively earmarked \$800,000 for use in a Fresno county flood control project.

The governor also appointed A. I. Stewart, Pasadena, to succeed William G. Benelli of Los Angeles as director of the state department of vocational and professional standards.

Refused to send the National guard

mining area, where striking unionists clashed with "vigilantes." The governor pointed out he had no authority to take such action until requested to do so by local authorities.

Signed assembly bill eight, designed to provide a closer check on the state funds distributed to county and district agricultural associations.

The plan would be retroactive to fairs operative prior to 1933 and would set at a \$6000 maximum the base of allocations paid to any fair for its first year of operation.

Officials contended the legislation was necessitated by the growing tendency of fairs to offer premium lists in expectation of large state funds.

Signed state senate bill two, extending to August 20 the date for paying delinquent taxes under the ten year equal annual installment plan.

Extended to May 20 the execution date for John and Coke Brite, condemned Siskiyou mountain triple slayers. The brothers were scheduled to hang Good Friday on the Folsom prison gallows for the murder of three men, including two peace officers.

—TRADE IN TRUCKEE—

### Historic Struggle Renewed to Move State Capitol

SACRAMENTO, April 14. (UP)—Revival of efforts to move the state capitol, currently being made by Monterey's proponents, has led to speculation whether it could be moved except by disaster or violence.

There are plenty of precedents in the capitol then was a matter of loading a few wagons with documents, seals and records and yelling "giddap!"

From 1849, when the first state constitutional convention met, to 1854 the capitol moved five times, and the issue of its location overshadowed the elections in those unsettled times.

The capitol had been in Monterey, where the first constitutional convention convened, since 1781, but it was decided San Jose would be the scene of the first legislative session. Conditions in San Jose, despite the promises of its proponents at the convention, were inhospitable.

General M. G. Vallejo then offered the legislature a grant of land on the straits of Carquinez and \$370,000 in bonds. The legislators accepted the offer but found conditions in Vallejo far worse than in San Jose. A hundred legislators and their camp followers were forced to sleep aboard a ship anchored off the straits, and had to sit on nail kegs and planks when the legislature was in session.

So Benicia entertained the following session, then Sacramento. And ever since 1854 the capitol has been in Sacramento despite attempts to have it moved to almost every city and hamlet in the state. It was this controversy that delayed construction of the present state capitol until 1869.

Claiming it is "neutral territory" between north and south, Monterey claiming it is "neutral territory" between north and south, Monterey is now campaigning for a return of the capitol to its location during the Spanish rule.

Procedure would be the circulation of a petition to have an initiative placed on the November ballot for a constitutional amendment. The petition would require 186,378 signatures and must be filed in Sacramento with the secretary of state by mid-July.

### DELINQUENT MOTOR BUS AND TRUCK TAX GIVEN TO COUNTIES IN STATE

SACRAMENTO, April 14. (UP)—Distribution of \$26,730.67 to California's 58 counties and the state highway fund representing delinquent motor bus and truck taxes collected by Controller Harry B. Riley will be made during the first week in April.

The back taxes based on gross receipts, will be apportioned on the basis of automobile registration in each county.

Apportionments from this source will materially decrease each year, Riley pointed out, since the law under which the tax was imposed has been repealed.

### STATE HIGHWAY NO. 20 FROM NEVADA CITY OPEN

State highway No. 20 which has been closed during the winter season is now open for all travel on a two-way road, according to the touring department of the National Automobile club. The highway is from Nevada City to a point just beyond Emigrant Gap on U. S. No. 40 to Reno, which provides a short cut from the Redwood highway to Reno and Lake Tahoe.

The Golden Text will be "I and my Father are one" (John 10:30).

### CENTRAL VALLEY PROJECT OFFERS PROBLEM FOR FISH, GAME COMMISSION

SACRAMENTO, April 14. (UP)—Protection of salmon and steelhead trout whose spawning beds in the Sacramento river will be made inaccessible by the construction of the Shasta Dam is a unique problem the Central Valley project will bring to the state fish and game commission.

Herbert C. Davis, commission secretary, said a study will be made of various devices which have been utilized in similar situations. The survey will be a joint undertaking by the commission and the U. S. bureau of fisheries, and the federal bureau will be asked to finance it.

Davis said Shasta dam will be too large to employ fish ladders as was done on the Columbia river at Bonneville.

### SPORTSMEN'S SHOW WILL BE HELD IN OAKLAND SOON

Champions of rod, gun and other fields of sport will take part in the annual Sportsmen's Exposition April 22 and 24 in the arena of Oakland's municipal auditorium, reports the California State Automobile Association. The show is sponsored by the Associated Sportsmen of California and the Foothill Sportsmen's club of Oakland.

Wood engraving was practised by the Chinese as early as the 10th century and was introduced into Europe 200 years later.

One solution under consideration calls for transplanting of the fish eggs to tributaries of the river.

Mr. and Mrs. Walter Ashton returned Friday from an enjoyable vacation trip to Boulder Dam and other points of interest.

**Here From Reno—**

Miss Ruth Siebold and Miss Ruth McLeod were here from Reno and spent the week end with Miss Stella Zorich.

**Recovering—**

Eldon Tonini is recovering from a seige of influenza that has kept him confined to his home.

**Valentines Return—**

Mr. and Mrs. C. O. Valentine who spent the winter in Los Angeles are scheduled to return to their resort at Tahoe this week to prepare for the opening of the summer season.

**Whites Here From Sacramento—**

Mr. and Mrs. C. B. White, Jr. and Mr. and Mrs. Eugene Wachhorst, Jr. of Sacramento were guests of Mr. and Mrs. C. B. White over the week end.
